VARIABLE DRAINAGE EASEMENT
 A variable drainage easement is hereby granted to the easement holder for the purpose of collecting, conveying, and discharging storm water runoff from the subject property to the easement holder's property. This easement is subject to the following conditions:
 1. The easement holder shall maintain the easement in a safe and sound condition.
 2. The easement holder shall not use the easement for any purpose other than the collection, conveyance, and discharge of storm water runoff.
 3. The easement holder shall not be liable for any damage to the subject property or to any third party resulting from the use of the easement for the purposes set forth in this easement.
 4. This easement shall terminate if the easement holder ceases to use the easement for the purposes set forth in this easement for a period of one year.
